The LA/LB South area includes Los Angeles and Orange Counties and the Southern Channel Islands. Below is the outline describing the organization of section 9800 for the LA/LB South area. In this area, the GRA's are grouped by county and then further subdivided within the county as needed based on hydro-geographical boundaries. The Southern Channel Islands are the exception as they have multi-county jurisdiction and due to access and response limitations they are grouped in their own GRA within the Los Angeles County GRA grouping.
